

# Institute Teaching Assignment:

## *Required Text:*

*The Backcountry Classroom: Lesson, Tools, and Activities for Teaching Outdoors*, 2<sup>nd</sup> Edition, by J. D. Drury, B.F. Bonney, D. Berman, and M.C. Wagstaff, (2005), Falcon Press. ISBN: 0-7627-2820-5

## *Your Task:*

1. Chose two topics to teach during the institute.
2. Research the topic and become the expert.
3. Use your text as a guide only: create your own lesson plans.
4. Attempt to use the CHALLENGE format found in the teaching and learning chapter.
5. Challenges are experientially based learning activities.
6. Depending on your topic, the lesson times could range from 20 minutes to an hour.
7. Be creative and develop specific learning objectives.
8. You are encouraged to have your lessons reviewed and critiqued before the trip.
